Abstract submission deadline  
**May 5, 2025**

Early bird deadline  
**September 1, 2025**

## 51<sup>st</sup> Annual Meeting of the International Society for Pediatric Neurosurgery

Dear Colleagues,

It is with great enthusiasm that we extend a warm invitation to you to join us at the upcoming ISPN meeting to be held in the beautiful city of Lyon, France. This gathering promises to be an unparalleled opportunity for professional growth, collaboration, and sharing of innovative ideas that will shape the future of our field. Your participation is crucial to the success of this event, and we are confident that you will leave Lyon with new knowledge, new connections, and renewed inspiration.

The ISPN congress will bring together in Europe the most distinguished minds in pediatric neurosurgery from across the continents. We will enjoy a carefully curated and comprehensive program that will include cutting-edge research presentations, interactive workshops, and thought-provoking panel discussions. These sessions are designed not only to expand your knowledge but also to challenge your thinking and inspire innovative approaches to patients' care. In addition to the scientific program, there will be ample opportunities for networking with peers, exchanging experiences, and building collaborations that can advance our collective goals. The congress will also feature hands-on sessions and courses, offering practical insights that you can immediately apply in your practice.

Please join us in Lyon for this extraordinary event. We look forward to your active participation and to the many enriching exchanges that will take place during the congress. Let us come together, learn together, and innovate together.

See you in Lyon! A bientôt,

Federico Di Rocco  
Chair of 51<sup>st</sup> Annual Meeting
